Dear Josette:

The John Schreiber Group has addressed all areas of Year 2000 compliance including all core business systems, computers, accounting and financial systems, communications systems and technology providers.

These areas are Y2K compliant and should not adversely affect in any way our ability to meet service commitments with Philip Morris USA.

Please contact me at 212-977-1100 x224 if you have any questions.

All good wishes.

Best regards.
